PROBLEMS

Digilawyer

Document Management & Analysis

1 Read and Analyze documents

2 Find relevent points

3 Make notes

THIS TAKES UP HALF A LDAY

Digilawyer

Finding Relevant Laws & Judgement's Data

1 Use Past Experiences (Outdated)

2 Ask Senior's guidance (Availability issues)

3 Read Commentary Books (Biased, Limited Knowledge)

4 Search PLS (No Contextual Search, UI/UX is just 💩)

Digilawyer

Drafting Documents

1 Search through your firms database (Very Limited)

2 From Scratch
