✓ All Institutions are eligible to participate in the Program. Constituent Campus/college of Universities/DAI shall be treated as a separate institution for the purpose of subject Program.

## Eligibility Criteria for Participation of Students

- > Students must be studying in final year (4<sup>th</sup> academic year/Final year i.e., 7<sup>th</sup>- 8<sup>th</sup> Semester 2023-24 only) of their undergraduate degree program of the Institutions.
- > Students must have enrolled in ICT related undergraduate degree programs which includes but not limited to followings:

Avionics Engineering	Electrical	Information Technology								
Avionics/Aeronautical	Electrical Engineering	Management and Information								
Engineering		Sciences								
Biomedical Engineering	Electrical Power Engineering	Mechatronics Engineering								
Bioinformatics	Electrical/Electronic Engineering	Science & Technology								
Computer & Information System	Electronics	Software Engineering								
Engineering										
Computer Engineering	Electronics Engineering	Space Science								
Computer Science	Engineering and Sciences	Telecom Engineering								
Computer Science & IT	Industrial Electronics	Telecommunication &								
		Networking								
Computer System	Information & Communication	Mechanical Engineering								
	Technology									
Computer System Engineering	Computing and Technology	Civil Engineering								
Energy System Engineering										

(Note: Any other ICT related department with different name shall also be considered; if approved by Ignite)

Student's respective institution is participating in NGIRI 2023-24.
