REQUEST FOR PROPOSALS

National ICT R&D Awards 2013- Third Part Processing and Evaluation of Applications.

Section 1. Company Background

1.1 Pakistan has witnessed a phenomenal growth in its telecom industry. The government of Pakistan has mandated that a certain percentage of gross revenue generated by all telecom service providers be allocated to development and research of information and communication technologies with the vision to transform Pakistan's economy into a knowledge based economy by promoting efficient, sustainable and effective ICT initiatives through synergic development of industrial and academic resources. To achieve this vision National ICT R&D Fund, hereafter referred as the Company, has been created. This vision will be realized by pursuing the following goals:

- Cultivate industry-academia partnership by funding concrete development and research initiatives.
- Enhance the national ICT related human resource development capacity manifolds by facilitating industrial demand focused human resource capacity building and R&D capabilities in the country and promoting ICT related educational programs and activities.
- Make Pakistan an attractive destination for service oriented and research and development related outsourced jobs.
- Use ICT as a tool for wealth creation and upward mobility for economically challenged groups of citizens.
- Spread the ICT activities on a true national level.

2. Assignment Background and Needs:

2.1 The “**National ICT Research and Development Awards 2013**” has been launched to acknowledge the efforts of Pakistani organizations, researchers, academicians, professionals, engineers, etc in the area of Information and Communication Technology (ICT) with the aim of encouraging the development of an ICT focused R&D culture in Pakistan.

Award Categories

- ICT based Products/Systems/Applications.
- Published Research Papers.

Award Description

Each award will consist of a certificate and a cash award as per following detail:

First Prize:	Rs. 1.5 Million
Second Prize:	Rs. 1.0 Million
Third Prize:	Rs. 0.5 Million

In addition a grant upto Rs 2.5 million may be awarded to the winners (or the winning teams) to pursue further R&D in a related area of interest.

2.2 The firms are invited to submit a Technical Proposal along with a Financial Proposal as per the Scope of Work given in this RFP. The proposal will be the basis for contract finalization with the selected firm (the executing agency).

2.4 The intended firms must familiarize themselves with local conditions and take them into account while preparing their proposals.

2.5 Please note that (i) the costs of preparing the proposal and of finalizing the contract, including visits for discussion with R&D Fund are not reimbursable and (ii) the company reserves the rights to accept or reject any or all of the proposals submitted, without assigning any reason thereof.

2.6 The Company requires that the hired firm provides professional, objective, impartial advice and services and at all times hold the Company's interests paramount, without any consideration for future work, and strictly avoid conflicts with other assignments or their own corporate interests. The Firm shall not be hired for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of not being able to carry out the assignment in the best interest of the Company.

3. Scope of Work:

The selected executing agency shall be responsible for the following activities:

- i. To propose a fair and effective quantitative criteria for evaluation of applications for both categories of awards on the basis of prescribed application form attached as **Annexure-D**.
- ii. To devise an effective, transparent and efficient mechanism/tools and methodology for evaluation of received applications and conduct evaluation on the basis of approved/finalized criteria.
- iii. To propose a panel of subject experts having expertise in relevant area and applicable to both categories/ thematic areas approved for the awards.
- iv. To ensure that applications received meet the basic eligibility criteria and are related to the ICT domain and to check for duplicity of applications for the same "R&D effort".
- v. To collect applications received under the subject program from National ICT R&D Fund and to collate all the information in the soft form (on format to be decided in consultation with the National ICT R&D Fund).

- vi. The information to be provided to the Fund regarding applications received in both categories may include but not to limited to total number of applications received in each category, applications received in time/after due date, number of complete/incomplete applications, etc.
- vii. For ensuring data validation, to devise process for effective data entry and management in order to ensure that data provided to the Fund is error free.
- viii. To provide complete and separate (for each award category) merit lists in respect of all the applications received in both categories and to provide the quantitative score sheet duly verified by the executing agency to the Fund.
- ix. To share the merit list for both categories of awards in a confidential manner with the Fund and to ensure that confidentiality of information is maintained till the announcement of awards. In order to make the process more transparent, the agency selected will ensure that no contact is made with the applicants during application evaluation period. Moreover, request for any additional information required from applicants will be obtained through fund.
- x. Proper record keeping and maintenance of all official record handed over to the agency by the Fund for at least two years after completion of the process and provision of record to Fund as and when requested. All the official record, data and correspondence will be exchanged in a proper recorded manner.
- xi. To facilitate the Fund's monitoring teams and to provide them access to the record and data for monitoring purpose except for the time period during which evaluation is being conducted.
- xii. To ensure that senior representatives of the executing agency are present during the announcement of awards in the Awards Ceremony.
- xiii. To provide comprehensive customized reports to the Fund at the conclusion of this activity as determined by National ICT R&D Fund.
- xiv. To take complete ownership of the activities mentioned above and be responsible to respond to any queries during and after the evaluation process, if any, by the applicants.
- xv. The whole evaluation process shall be completed within 12 weeks from date of award of contract.

4. Clarification and Amendment of RFP Documents

4.1 Firms may request in writing for clarification of any of the provisions of the RFP documents no later than 10 (ten) days before the proposal submission date. Any subsequent queries will neither be entertained nor responded. Any request for clarification must be sent in writing by mail, facsimile, or electronic mail to the Company's address indicated below. The Company will respond by facsimile or

electronic mail to such requests and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all participating firms who intend to submit proposals.

The address for requesting clarifications is:

Manager Administration
National ICT R&D Fund
6th Floor, HBL Tower, Blue Area
Islamabad, Pakistan
Tel: (92-51) 9215360-65,
Fax: (92-51) 9215366
Email: nelofar.arshad@ictrdf.org.pk

4.2 At any time before the submission of proposals, the Company may, for any reason, whether at its own initiative or in response to a clarification requested by an intended firm, amend the RFP and notify the parties. Any amendment shall be issued in writing through addenda and it shall be sent by mail, facsimile, or electronic mail to all interested firms and will be binding on them.

The Company may at its sole discretion extend the deadline for the submission of proposals.

5. Preparation of Proposal

5.1 Firms are requested to submit their proposals before but not later than **3.00 pm, October 15, 2013**. Proposals must be in English language and the financial proposal must be in Pak Rupees irrespective of origin of the intended firms.

Technical Proposal

5.2 In preparing the Technical Proposal, intended firms are expected to examine the scope of work and all related documents constituting this RFP in detail. Material deficiencies in providing the information requested may result in rejection of the proposal.

5.3 If an intended firm considers that it does not have all the expertise for the assignment, it may include in the proposal name of sub-firms/ experts by associating with them either as individual firm(s) and/or other firms or entities in a joint venture.

Core Team Members/Evaluation Panel:

5.4 The firm will ensure availability of a dedicated professional team with relevant specialized qualifications. Furthermore, they may constitute a panel of renown experts for evaluation of each category of awards. The member of the evaluation panel should

possess appropriate relevant experience and expertise. The detailed resumes/CVs of the professional team and members of panel should also be provided along with the proposals.

Team Leader:

5.5 The firm will nominate team lead/focal person responsible for overall completion of evaluation process, he can be a member of the dedicated professional team referred above. The team lead/focal person will have good experience in lead position and considerable experience in carrying out tasks of similar nature and of similar or bigger scope.

5.6 Other requirements for the staff are enumerated as follows:

- i. It is the company's preference that majority of the key professional staff proposed be permanent employees of the firm or have an extended and stable working relationship with the firm.
- ii. Professional staff must have the experience indicated in the RFP preferably working under conditions similar to the assignment at hand.
- iii. It is desirable that, if not all, some of the firm's personnel possess working knowledge of the Company working.

5.7 Technical Proposal shall provide following information as per Standard Forms (Section 2). Filling up of these forms is mandatory:

- i. Background information of the Consultancy firm including Registration Certificate, location and branches along with number of employees and financial position of the Company/firm (Section 2B).
- ii. Brief description of the organization for this study, outline of general experience on assignments (Section 2D) and specific/similar experience of the firm relating to this assignment should be provided. (Section 2C)
- iii. A description of the methodology and work plan for performing the assignment should be provided (Section 2E).
- iv. Details of the proposed core team members to each task that would be assigned and their timing (Section 2F).
- v. Detailed CVs of proposed professional staff and the authorized representative submitting the proposal should be attached. Key information should be entered

into the table in (Section 2F) which will include total number of years work experience and qualification.

5.8 The Technical Proposal shall not include any financial information.

Separate Financial Proposal

5.9 In preparing a separate Financial Proposal, firms are expected to take into account the requirements and conditions outlined in the RFP documents. The Financial Proposal should follow Standard Forms (Section 3) and include all costs associated with the assignment supported with breakup like: (a) remuneration for staff (b) expenses on services and equipment (office equipment, furniture, and supplies), office rent, insurance, printing of documents, surveys, and training, if it is a major component of the assignment. If appropriate, these costs should be broken down by activity.

5.10 The proposal should clearly state that the fee and price quoted is inclusive of all the local taxes, duties, fees, levies, and other charges under the Pakistani law, on the firms, the sub-firms, and their personnel, as applicable during the currency of proposal submission. The firm should further state that deposit of all such taxes, duties, fees, levies and other charges shall be the sole responsibility of the firm and company will not be held responsible for any short/excess payment of any of the aforementioned charges.

5.11 The proposal must remain valid for a period of 90 days after the submission date. The firm is expected to keep available the professional staff proposed for the assignment during this period. If the company wishes to extend the validity period of the proposals, the firms who do not agree have the right not to extend the validity.

5.12 Call deposit, in the form of a separate demand draft valuing 2% of the bid amount as earnest money in favor of National ICT R&D Fund must be attached with the proposal. The call deposit must be in a separate envelope and not inside technical or the financial proposals envelopes. Failure to enclose earnest money will result in automatic disqualification.

6. Submission, Receipt, and Opening of Proposals

6.1 The original proposal (Technical and Financial Proposal) be prepared without any interlineations or overwriting.

6.2 An authorized representative of the intended firm will initial all pages of the proposal with official stamp affixed on the same. The representative's authorization should be confirmed by a written power of attorney accompanying the proposal.

6.3 For both Technical and Financial proposals, the firms shall prepare three copies including any computer models used in developing the proposals. Each Technical and Financial Proposal shall be marked "ORIGINAL" or "COPY" as appropriate. If there are any discrepancies between the original and the copies the original governs.

6.4 The original and two copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "Technical Proposal," and the original and all copies of the Financial Proposal in a sealed envelope clearly marked "FINANCIAL PROPOSAL" and warning: "DO NOT OPEN WITH THE TECHNICAL PROPOSAL." Both envelopes, along with a sealed earnest money envelope, shall be placed into an outer envelope and sealed. The proposal submission address is:

Manager Administration,
National ICT R&D Fund
Ministry of Information Technology
6th Floor, HBL Tower, Jinnah Avenue, Blue Area,
Islamabad, Pakistan.
Tel: (92-51) 9215360-65, Ext. 104
Fax: (92-51) 9215366
Email: nelofar.arshad@ictrdf.org.pk

The outer envelope should bear the following:

National ICT R&D Awards 2013 – Third Party Processing and Evaluation of Applications

6.5 The completed Technical and Financial Proposals must be delivered at the submission address on or before **3.00 pm, October 15, 2013**. Any proposal received after the closing time for submission shall be returned unopened.

6.6 After the deadline for submission of proposals, the Technical Proposal shall be opened immediately by the evaluation committee. The Financial Proposal shall remain sealed till finalization of technical evaluation.

7. General Terms of Proposed Evaluation

7.1 From the time the bids are opened to the time the contract is awarded, if any firm wishes to contact the Company on any matter related to its proposal, it should do so in writing at the above mentioned address.

7.2 Any effort by the bidders to influence the Company, in the proposal evaluation, proposal comparison or contract award process shall result in automatic disqualification.

7.3 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

Evaluation of Technical Proposals

7.4 The evaluation committee, appointed by the company as a whole, and each of its members individually, evaluates the proposals on the basis of their responsiveness to the scope of work, applying the evaluation criteria, sub-criteria and point system as specified below. Each responsive proposal will be given a technical score (St). A proposal shall be rejected at this stage if it does not respond to the important aspects of the RFP or if it fails to achieve the minimum technical score indicated below:

#	Criteria	Points	Marks obtained	Remarks/Justifications
TECHNICAL				
1	Completeness and quality of proposal addressing all essential elements.	05		
2	Design of effective execution of the evaluation process and associated quality assurance tools.	05		
3	Evidence depicting that such evaluations have already been conducted by the executing agency in past	15		
4	Efficacy and effectiveness of proposed criteria for evaluation of applications for awards	10		
5	Efficacy and effectiveness of proposed methodology and process for evaluation of applications for awards.	10		
6	Transparency of proposed evaluation process	05		
7	Executing agency's experience and expertise in record keeping, data processing and report writing.	05		
8	Strength of Proposed Panel for evaluation of applications.	10		
9	Qualifications/competence and ready availability of project team members for completion of assignment	10		
	TOTAL:	75		

The minimum technical score required to pass: **60%**

Public Opening and Evaluation of Financial Proposals:

7.5 After the technical evaluation is completed, the company shall notify those firms whose proposals did not attain the minimum technical score or were considered non-responsive to the RFP, indicating that their Financial Proposals will be returned unopened after completing the selection process. The company shall simultaneously notify the firms that have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals. The notification may be sent by registered letter, facsimile, or electronic mail.

7.6 The Financial Proposals shall be opened publicly in the presence of the firms' representatives who choose to attend. The name of the firm, the technical scores, and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. The Company shall prepare minutes of the public opening.

7.7 The evaluation committee will determine whether the Financial Proposals are complete (i.e., whether they have costed all items of the corresponding Technical Proposals; if not, the company will cost them and add their cost to the initial price) and will correct any computational errors. In case of any computation error in the price, the quantity multiplied by rate will prevail. The evaluation shall exclude those taxes, duties, fees, levies, and other charges imposed under the Pakistani law if included in the bid by the bidder in respect of his foreign partners/firms.

7.8 Single stage – two envelope procedure as laid down in Public Procurement Rules 2004 and attached at Annex A would be followed for the evaluation and final selection of the firm for the award of this consultancy. The weights given to the Technical (T) and Financial (F)

Proposals are:

T=0.75

F=0.25

7.9 The lowest priced Financial Proposal (F_m) will be given a financial score (S_f) of 100 points. The financial scores (S_f) of the other Financial Proposals will be computed as per the formula i.e. $S_f = 100 * F_m / F$, in which S_f is the financial score, F_m is the lowest price and F the proposal under consideration.

7.10 The Proposals will be ranked according to their combined technical (S_t) and financial (S_f) scores using the weights (T & F) in the formula i.e. $S = S_t * T\% + S_f * F\%$. The firm achieving the highest combined technical and financial score i.e. Lowest Evaluated Bid, as per QCBC formula, will be invited for negotiations.

7.11 Payment Terms:

No.	Project Milestone	Amount Payable
1	Mobilization Advance	20%
2	Upon submission of complete/finalization of: i. Evaluation Criteria ii. Panel of Experts iii. Complete database of applications received on the prescribed format both in soft and hard form	20%
3	Upon submission of final list of awardees in both categories	30%
4	Submission of final comprehensive report*	30%

* The Company will have to decide acceptance/rejection with reasons within 10 working days.

8. Award of Contract

8.1 The contract will be awarded upon completion of evaluation of bids and the company will promptly notify other firms on the shortlist that they were unsuccessful and return the unopened Financial Proposals of those firms who did not pass the technical evaluation (Para. 6.3) along with their call deposit fee.

8.2 The assignment is expected to commence in November 2013 at Islamabad.

9. Confidentiality

9.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the firms who submitted the proposals or to other persons not officially concerned with the process, until the successful firm has been notified that it has been awarded the contract.
